Diane,
Would it be ok to cancel tomorrow's meeting? I'm taking some leave and Paul won't be available.

We are nearing award, CT has received our tech eval and they are getting final approval for acceptance of the proposal. I sent the Form 2 last week for the contract funding and am awaiting that to get processed before we can award. I'll get with you prior to award to discuss exactly what you want issued on the first task order, I plan on holding back at least the post-FFS support and the public relations/meetings support.

If you would prefer I can give you a call tomorrow at our regular time, or we can reschedule to next week instead of cancelling.

Thank you,

Justin Shoemaker
